16. Sub-letting: The Bidder cannot assign or transfer and sub-contract its interest/obligations under the contract without prior written permission of the Purchaser.

17. Liquidated Damages:

(a) The date of the delivery of the goods/services stipulated in the acceptance of tender should be deemed to be the essence of the contract and the delivery must be completed not later than the dates specified therein. Extension in delivery period will not be given except in exceptional circumstances. Should, however, deliveries be made after expiry of the contract delivery period and accepted by the consignee, such deliveries will not deprive the Purchaser of the right to recover Liquidated Damages.

(b) In case the successful bidder fails to supply the goods/services against the order, the same shall be procured from other bidders/firms/agencies at the cost and risk of the successful bidder and the excess money will be recovered from any dues of the party.

(c) For late deliveries, as liquidated damages, a sum equal to 2% of the price of any goods/services not delivered or total order value in case where part delivery is of no use to a Purchaser, for a week or part of a week subject to maximum limit of 10% of the total order will be recovered from the Contractor. The Purchaser also reserves the right to cancel the order in such cases and forfeit the EMD/Performance Bank Guarantee and may also debar the Contractor from future purchases.

(d) Liquidated Damages can be recovered from any dues of the successful bidder.

18. Applicable Laws:

This contract shall be interpreted, construed and governed by the laws of the Republic of India and the parties hereby submit to the exclusive jurisdiction of the Court at Balasore and to all Courts at Balasore having jurisdiction in appeal there from. Any dispute in relation to the contract shall be submitted to the appropriate Court of the Republic of India for determination. The parties to the contract shall continue to fulfil their respective obligations under the contract during the currency of the contract pending the final decision of the Court.

19. Packing:

(a) The contractor shall provide packing of the goods, as required to prevent their damages or deterioration during the transit to their final destination as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit.

(b) The equipment shall be securely boxed, crated and protected from mechanical damage, moisture etc. suitable for both storage and transit according to the nature of the material and mode of transport.

20. Replacement of Defective Equipment:

(a) If any equipment or any part thereof, is found defective or fails to meet the requirements of the contract before it is accepted, the Purchaser shall give the successful bidder a notice setting forth details of such defects or failures and the successful bidder shall forthwith arrange to set right the defective equipment or replace the same by the good one to make it comply with the requirements of the contract. This in any case shall be completed within a period not exceeding one month from the date of the initial report pointing out the defects. The replacement or rectification shall be made at site by the successful bidder free of cost. If the bidder fails to do the needful within this stipulated time frame, the purchaser reserves the right to reject the equipment in full or in part and get it replaced at the cost of the successful bidder. The cost of any such replacement made by the Purchaser shall be deducted from the amount payable to the successful bidder against this purchase order.

(b) If any equipment or part thereof is lost or rendered defective during transit, pending settlement of the insurance claim, fresh order shall be placed on the successful bidder for such loss or defective equipment and the successful bidder shall arrange to supply the same within three months of such order at the same prices and on the same general terms and conditions as mentioned in this purchase order.

21. Force Majeure:

(a) If any time, during the continuance of this contract, the performance in whole or in part by either party under obligation as per this contract is prevented or delayed by reasons of war or hostility, act of the public enemy, civil commotion, sabotage, fire, flood, explosion, epidemic, quarantine restrictions, strike, lockout or acts of Nature, hereinafter referred to "eventuality", provided notice of happening of any such eventuality is given by either party to the other within **21 days** of the date of occurrence thereof, neither party shall be reason of such and "eventuality" be entitled to terminate this contract nor shall either party have any claim or damages against the other in respect of such non-performance or delay in performance and deliveries under the contract. The contract shall be resumed as soon as practicable after such "eventuality" has come to an end or ceased to exist. In case of any dispute, the decision of the District & Sessions Judge, Balasore, shall be final and conclusive, provided further that if the performance in whole or part of any obligation under this contract is prevented or delayed by reason of any such eventuality for a period exceeding 60 days, either party may at its option, terminate the contract. Provided also that if the contract is terminated under this clause the Purchaser shall be at liberty to take over from the successful bidder at a price to be fixed by the purchaser, which shall be final, all unused, undamaged and acceptable materials, bought out components and other stores in the course of manufacture which may be in the possession of the successful bidder at the time of such termination, or such portion thereof as the Purchaser may deem fit except such material, as the successful bidder may, with the concurrence of the Purchaser, elect to retain.

26. Termination for Default:

(a) The Purchaser, may, without prejudice to any other remedy for breach of contract, by written notice of default, sent to the successful bidder, terminate this contract in whole or in part.

- If the successful bidder fails to deliver any or all the goods within the time period (s) specified in the contract or any extension thereof granted by the Purchaser.
- If the successful bidder fails to perform any other obligation(s) under the contract.
- If the successful bidder, in the judgement of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- If the successful bidder, in either of the above circumstances, does not remedy his failure within a period of 10 days (or such longer period as the Purchaser may authorize in writing) after receipt of the default notice from the Purchaser.
- On a notice period of 07 days.

For the purpose of this Clause:

(1) “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

(2) “Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of Purchaser and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition”.

(b) In the event the Purchaser terminates the contract in whole or in part pursuant to above paragraph the Purchaser may procure upon such terms and in such manner as it deems appropriate, goods similar to those undelivered and the successful bidder shall be liable to the Purchaser for any excess cost for such similar goods. However, the successful bidder shall continue the performance of the contract to the extent not terminated.

27. Claims:

(a) If the material supplied are found to be of size and shape different than those in the accepted offer and are of specifications lower than those stipulated in the accepted offer, the District & Sessions Judge, Balasore shall have the right to totally reject the goods and/or prefer a claim for compensation for the part of goods, which are rejected.

(b) The successful bidder shall reimburse to the District & Sessions Judge, Balasore, the actual expenditure incurred, on such goods, within 15 (fifteen) days of its demand.

(c) The successful bidder shall be responsible for arranging the rejected goods to be removed at his/her cost from site premises. The contractor shall also compensate for losses, if any, sustained by the District & Sessions Judge, Balasore due to defective packing and/or wrong marking of the goods.

28. Termination for Insolvency:

(a) The Purchaser may at any time terminate the Contract by giving written notice to the Contractor, without compensation to the contractor if the contractor becomes bankrupt or otherwise insolvent as declared by the competent court provided that such termination will not prejudice or effect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

29. Add On/Repeat Order:

(a) The District & Sessions Judge, Balasore reserves the right to place Add on/Repeat order for additional quantity to 100% of the original quantity at the same rate and terms & conditions of the purchase order within six months from the date of issue of purchase order.

We confirm with our acceptance to the Commercial & General Terms & Conditions Sl. No.1 to 29 as given above.

30. Additional conditions:

(a) The District & Sessions Judge, Balasore reserves the right to accept the tender either in its entirety or in piece meal as the case may be and no representation in that regard shall be entertained.

(b) The District & Sessions Judge, Balasore reserves the right to direct the bidder to carry out the work in any one station/court complex at a time and to carry out the others thereafter if the work carried out in the former station/court complex is satisfactory.
