Principal Secretary,
Skill Development &
Technical Education Department,
Government of Odisha
D.O No. 58 /SSDTE
Dated the 2nd Jan., 2024

Dear Team 'Skilled in Odisha',

Sub: Skilled-In-Odisha Calendar 2024

Wishing you a very Happy New Year 2024 !

In recent months, efforts have fortified skilling initiatives in the State. December 2023 saw the launch of decentralized skilling via District Skill Development Missions, highlighting our commitment to decentralization. Our objective is continuous skill training in every district, with identified 'Skilled-In-Odisha' District Centres and a year-round training calendar. Concurrently, we're enhancing Digital Skilling through collaborations, broadening course offerings to maximize benefits for the youth.

2. In these initiatives, ensuring the youth of Odisha have seamless access to a consolidated source of information about training programs, locations, and training partners is crucial for enhanced awareness and participation. To address this, the department has introduced the Skill Calendar – 2024 (Copy enclosed). This dynamic document will be regularly updated to reflect new planned/approved programs. I would request your support in the following areas:

- Publicity of the calendar among interested youths through Schools, Colleges, Swadhar Greh, etc.
 - Share details of any skilling programme planned/approved by any Department in the District in the format at Annexure.
3. In this New Year, let us reaffirm our commitment to strengthen the brand of Skilled-In-Odisha with District Skill Development Missions as flagbearers.

Thanks for your support, as always,

Best Regards,

Yours sincerely

(Usha Padhee) 2/1/2024
